## **LEADERSHIP RESIDENCY OVERVIEW**

The New Life Fellowship Leadership Residency program provides opportunities where you will receive personal spiritual formation, and leadership development, to lead people to a deep, personal relationship with Jesus Christ.

The end goal of the program is to train and develop “emerging 5M leaders” in soul and role, through our formation pathway (connect. grow. serve), and release them to steward their life and gifts in one of the New Life congregations.

The New Life Leadership Residency is designed to give participants local church ministry experience, as well as a glimpse into the life of someone in vocational ministry. Participants will gain valuable experience while working alongside New Life staff members.

Full-time (30 hours or more per week) and part-time (10-29 hours per week) positions are available.
