NEXT STEPS

Are you ready to take the next step? Our Pathway is a series of three initial steps towards becoming a deeply transformed disciple of Christ. Step 1 Community: Get Connected, Step 2 Formation: Go Deeper, and Step 3 Mission: Serve Others. These steps are designed to help you build authentic relationships and experience deep, beneath-the-surface transformation, out of which you serve the world. Consider taking the next step by attending one of the following classes or groups. Visit newlife.nyc/pathway to learn more.

To register for these events, or for more information, visit newlife.nyc or stop at the Welcome Center in the lobby after the service.

Racial hostility remains one of the most challenging issues for the church and our world in the 21st century. At this conference, we will offer robust theology, tools, practices, and space for dialogue to equip followers of Jesus to be peacemakers and reconcilers. Whether you are just getting started on the journey of connecting the gospel to race or are already immersed in a context committed to racial justice and reconciliation, this conference is for you.
